Summary

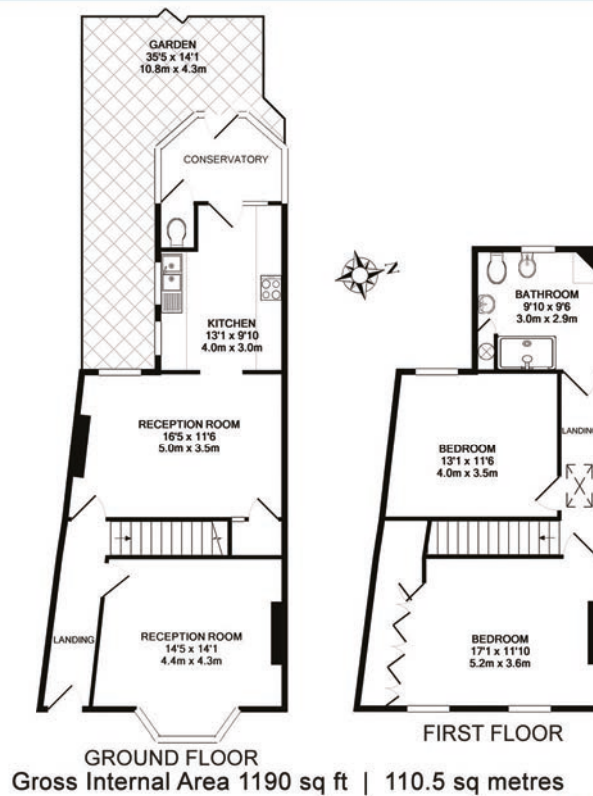

Wades Hill is located in the heart of Winchmore Hill, a sought after location just a few minutes walk to Winchmore Hill's Network Rail Station and adjacent to The Green with its ever popular cafés, restaurants and bars.

This well presented late Victorian end of terraced cottage benefits from two spacious reception rooms maintaining many original features such as fireplace surrounds and cornice details.

Downstairs there is a modern fitted kitchen leading onto the conservatory, and rear garden. Upstairs you will find two double bedrooms, and family bathroom will double shower. Added benefits include solar panels to rear for hot water heating, double glazing and off street parking to side.

Being one of the larger cottage properties in the road this is certainly worth viewing.
